WELCOME to all our visitors. Coffee will be served in the Exmouth after the 11.00 am Mass and in Budleigh after the 9.00 am Mass. You are very welcome to join us. **Children's liturgy** during the 11.00 Mass now focuses on our youngest children. I am asking that children in Year 4 and above remain in church during the Mass so that the little ones' needs may be met more appropriately. The front righthand pews are reserved for those staying in church with their families, and Mass books have been provided to help them understand and learn about the Mass. **Those not receiving Holy Communion during Mass are warmly invited to come forward for a blessing.**

As autumn takes hold we enjoy a wonderful of harvest fruits and vegetables. Please put your culinary skills to the test and start making jams, jellies, pickles and preserves for our seasonal sale which will be on 24th November. If you can't cook then why not pass the produce to other parishioners or come together for a parish 'preserving' morning.

Fr. Philip invites you to help him prepare the garden for the cooler days ahead. On Saturday 28th October he will be gardening between 10.30 and 12.00 – there will also be plenty of coffee and doughnuts to keep you going!

As we plan for the seasonal sale, please can you consider donating a prize for the luxury raffle. It's never too early to bring it in and if there is anyone in the parish who enjoys wrapping hampers then please let me know.

Each year we celebrate Home Mission Sunday during September. It is the day the Bishops invite parishes to pray for the mission of the Church in England and Wales There will be a second collection next weekend to support the Bishops' work in the area of evangelisation and the money collected enables them to support parish evangelisation.

Our Common Home: new campaign on climate change

Climate change affects our health, our homes, our heritage and our beautiful landscapes. It ruins the work we do to fight poverty and to lead better lives. We have made huge progress on climate change, but things are urgent now. We need to work together to go further, faster to end climate change. Together we Catholics can turn the tide. We can treat our home with respect by leading the way, taking responsibility and forging new habits. We can call on politicians to go further and faster with emissions cuts. Get involved in the Our Common Home campaign today. www.cafod.org.uk/climate
